

LIONWISE™ for RETAIL SHOPS

Affordable Point-of-Sale for Increased Profit & Controls

Get the Controls Needed to Run a More Efficient Operation

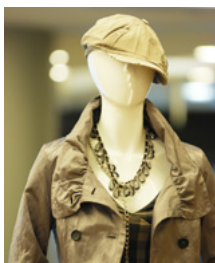

LIONWISE Point-of-Sale (POS) systems meet the needs of a wide range of specialty retail operations with a powerful feature set that allows flexibility while still remaining easy to install and maintain. Manage costs, identify / correct errors, and track inventory properly and efficiently.

The LIONWISE software offers a refreshingly simple and intuitive design so that users can easily familiarize themselves with the systems without excessive training or expertise. 24/7 HelpDesk support and assistance is also available to all LIONWISE clients 365 days a year.

By utilizing LIONWISE POS, you will have the ability to spend less time behind the counter ringing up sales and more time interacting with your clients on the sales floor, while still retaining controls over your business.
